

BE SAFE WHEN TRICK OR TREATING

1

Make sure you are accompanied by a grown-up.

2

Wear bright coloured clothing.

3

Walk on the pavement.

4

Bring a torch along with you.

5

Cross at safe points only. Don't run from home to home or across roads.

6

Make sure eyeholes in masks don't obstruct your vision.

7

Don't gobble up any treats until your parents or carers have looked at them first.

8

Don't enter homes.

9

Only knock on houses that you know.
